## LOVIN' PESTO

### MERCATO ORIENTALE

📍 **Via XX Settembre, 75 r, 16124 Genova GE**

You can't say you know Genoa if you haven't jumped into its flavors. Genoese pesto has conquered everyone, absolutely everyone.

Located in the city center, the **Oriental Market** is the perfect place where you can buy freshly made pesto or stock up on all the ingredients to make your own. Did you know that handmade pesto can get dark and not pleasant to see? Appearance matters too!. Cool down the blades in the fridge before using them, and bland the basil at the very end.
